Los Angeles, California 90012

Dear Commissioners:

**APPROVE AMENDMENT NO. 1 TO LOAN AGREEMENT WITH HOMES FOR LIFE
FOUNDATION TO DEVELOP 21 UNITS OF MULTIFAMILY HOUSING IN THE CITY
OF NORWALK (4)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve Amendment No. 1 to the Loan Agreement (Agreement), presented in substantially final form, between the Commission and Homes For Life Foundation, a California nonprofit public benefit corporation (Developer), to increase the original amount of the HOME Investment Partnerships Program (HOME) loan by an amount not to exceed \$125,000, from \$1,889,905 to a maximum of \$2,014,905 in HOME funds, for increased construction costs and permanent financing of the Birch Grove Homes, located at 11401 South Bloomfield Avenue, Building 303, in the City of Norwalk.
2. Authorize the Executive Director to execute Amendment No. 1 to the Agreement, to be effective following approval as to form by County Counsel and execution by all parties; and authorize the Executive Director to execute all necessary documents to subordinate the Commission's loan to permitted predevelopment, construction, and permanent financing, to be effective following approval as to form by County Counsel and execution by all parties.
3. Authorize the Executive Director to incorporate up to \$125,000 in HOME funds into the Commission's Fiscal Year 2006-2007 approved budget for the purposes described above.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to amend the Agreement between the Commission and the Developer, to provide additional funding to cover increased construction costs and permanent financing of the Birch Grove Homes.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. Total development costs are summarized in the Financial Analysis provided as Attachment A.

Under the original Agreement, \$1,889,905 in HOME funds was provided for predevelopment, construction and permanent financing of Birch Grove Homes as a 55-year, three percent simple annual interest loan, evidenced by a Promissory Note and secured by a subordinated leasehold Deed of Trust. This loan is to be repaid from residual receipts generated by operation of the property. Since the initial funding of the project in 2005, the total development cost has increased to \$4,484,981, due to increased construction costs. The current action will increase the HOME loan by an amount not to exceed \$125,000, from \$1,889,905 to a maximum of \$2,014,905 in HOME funds, \$828,074 of which will convert to permanent financing at completion of construction.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

On March 15, 2005, your Board authorized a 55-year Loan Agreement between the Commission and the Developer, in the amount of \$1,889,905 in HOME funds, for predevelopment, construction and permanent financing of the 21-unit Birch Grove Homes.

The Birch Grove Homes will be located at 11401 South Bloomfield Ave, Building 303, in the City of Norwalk. All rental units will be reserved for persons with chronic mental illness, with incomes that do not exceed 50 percent of the area median income for the Los Angeles/Long Beach Metropolitan Statistical Area, as defined by the U. S. Department of Housing and Urban Development.

ENVIRONMENTAL DOCUMENTATION:

Pursuant to 24 Code of Federal Regulations Part 58, Section 58.35 (a) (3) (ii) this project is excluded from the provisions of the National Environmental Policy Act (NEPA) of 1969 because it involves activities that will not alter existing environmental

conditions, provided that the stipulations agreed to in the Memorandum of Agreement between HUD and the California State Historic Preservation Officer are carried out. Pursuant to the requirements of the California Environmental Quality Act (CEQA), and consistent with the CEQA Guidelines, an Initial Study/Mitigated Negative Declaration (IS/MND) was prepared for this project by the State of California Department of Mental Health as lead agency. The adoption by the State of California Department of Mental Health of the IS/MND and Mitigation Monitoring Program, and the filing of a Notice of Determination along with the County's approval of the IS/MND and Mitigation Monitoring Plan as responsible agency on March 15, 2005, meet the requirements of CEQA.

IMPACT ON CURRENT PROGRAM:

The Amendment No. 1 will increase the HOME loan by an amount necessary to provide additional construction funding for the project, and will increase the supply of affordable special needs housing in the County.

Respectfully submitted,

for CARLOS JACKSON
Executive Director
